

Long Term Nurse Career Opportunities in Ireland

Sagesa Healthcare is working with Ireland's largest hospital groups and nursing home facilities to offer long term work opportunities in Ireland. We have helped many healthcare professionals successfully grow their careers in Ireland.

We have staff nurse positions in care homes all over Ireland including Dublin, Galway and Cork.

Responsibilities:

- Administration of medication
- Assist with hygiene and ambulation of patient
- Follow HIQA (Health Information and Quality Authority) protocol
- Emotional support to residents and their families

Benefits:

- €39.500- €42.500 gross annual salary
- 36/39 hours a week
- 20 days annual leave plus 9 national holidays
- Minimum 1-year contract with choice to extend

Requirements:

- Degree in Nursing
- NMBI Registered – you can work as a healthcare assistant until registration completed. We assist with all areas of registration.
- Ability to work in a team

Sagesa Healthcare will help the candidate free of charge in completing NMBI registration and logistics of moving to Ireland such as social security enrolment and house hunting.

Sagesa Healthcare is an international company located in Malaga, Spain. For more information, send us your CV in English to info@sagesahealthcare.com or call us at +34 951 560 841.
